Premier Sires® pricing examples

Forward Pack

Forward Pack delivers the best of Daughter Proven, Genomically Selected, and Spring sires. Forward Pack is unavailable in conjunction with a Daughter Proven plan for the same breed and animal group.

As the number of inseminations increase, prices move down the graduated price scale, and each insemination is charged at the appropriate Daughter Proven or Forward Pack or A2/A2 rate.

Example 1: Your 100th and your 101st Forward Pack insemination would be charged at \$31.35 and \$30.80 respectively.

Daughter Proven

Example 2: If you were to have 320 Daughter Proven Premier Sires Technician Service inseminations, you'd be charged \$9517 in total, which over 320 cows is an average of \$29.74 per cow.

Number of inseminations	Price per insemination	Total cost for each hundred
1-100	\$30.35	\$3035
101-200	\$29.80	\$2980
201-300	\$29.30	\$2930
301-320	\$28.60	\$572

Total cost: \$9517

Average cost per insemination for 320 cows: \$29.74

InvestaMate Discount

Percentage discount	Year of qualification	How/When applied
3%	First	Applied as a credit in March, following the season's mating.
5%	Second	At the time of charging.
10%	Third and subsequent	At the time of charging.

You will move up or down the InvestaMate scale each season depending on whether the 95% threshold was met in the previous season.

Straw purchases may comprise any combination of Premier Sires or Alpha straws. Premier Sires Fresh Sexed and Sire Proving Scheme inseminations contribute to the 95% threshold of (InvestaMate) qualifying purchases.

'Qualifying' animals are female animals born prior to 31 December 2023 in the 'herd' at the time of October charging. 'Herd' is defined as the 'whole herd' group in MINDA. The InvestaMate discount does not apply to Premier Sires Fresh Sexed or Sire Proving Scheme products (i.e. InvestaMate discounts only apply to Premier Sires Daughter Proven, Premier Sires Forward Pack, Premier Sires A2/A2, and Alpha products).

All prices exclude GST.

Volume discounts (1-10%) may apply.

For efficiency, orders are packed and dispatched according to technicians' runs. This is to ensure orders arrive on-farm for planned start of mating. Charging occurs in the month of dispatch and therefore, at times, customers may be charged in the month prior to starting AB.

Cancellations

Alpha orders cannot be cancelled within 30 days of the AB start date, as per LIC's Conditions and Service Rules. Alpha orders altered after the dispatch date may incur a \$35 handling fee.

Dispatches

All Alpha Nominated DIY orders will incur a \$35 dispatch charge.

All prices exclude GST.

Alpha Volume Discounts

Discounts apply to all Alpha product types and will be applied according to the volume of your order at the time of dispatch.

To obtain the best discount possible, it's recommended customers order all their Alpha semen to be dispatched at the same time. Orders are packed and dispatched according to technicians' runs to help ensure orders arrive on-farm for planned start of mating.

Charging occurs in the month of dispatch and therefore, at times, customers may be charged in the month prior to starting AB.

Multi-herd AB

If you have a majority or a 50/50 interest in more than one herd, then you may qualify for Multi-Herd AB pricing for Premier Sires. Customers who qualify will be able to combine the total number of cows across their herds for the purpose of the Premier Sires graduated scale. At an individual level, herds must achieve 95% of their AB with LIC to maintain individual InvestaMate discounts. To confirm whether you qualify, and to get a copy of terms and conditions, discuss Multi-Herd AB with your LIC Agri Manager.

Per week fee	\$12.50
Non refundable deposit	\$52

Semen storage: \$0.60 per straw per year, minimum annual charge \$60.

Semen dispatch (LIC semen): DIY customers are charged a dispatch fee of \$35 per order, charged direct to the client.

Semen dispatch (other supplier's semen, charged to supplier who may on-charge):
 Dispatch fee \$99 per order; late dispatch fee \$60 per order (semen received within 30 days of required date, or after the customer/technician bank has gone in to the field).
 NB: If semen is specially freighted or delivered to the customer direct, the actual cost will be charged should it exceed \$20.

DIY bank test-weigh: \$35 per bank. Banks less than four years old should be tested once every two years. It is recommended banks that are older than four years be tested annually. Testing does not guarantee the bank during the season, but it does provide an indication of the bank's reliability.

Transfer fee: Handling fee of \$35 per order for semen in storage that is transferred from one participant code to another.

Courier fee: \$42.50 minimum. Charged to the straw owner and based on transport requirements (i.e. when customer-owned straws are couriered outside normal LIC deliveries).

MINDA

[Show](#)

MINDA is charged using a monthly base herd fee, and a per-animal fee. Looking at unique animals in the herd for the month, the per-animal fee is calculated daily and considers any animals moving in and out of the herd multiple times per month. Animals are only charged once per herd (using the per-animal fee) but will be charged to any herds the animals have moved between. All prices are exclusive of GST.
